

A black and white line drawing of a floral pattern. The pattern consists of several stems with leaves and small flowers. The stems are arranged in a way that they appear to be growing upwards and outwards from the center. The leaves are simple, oval-shaped with a central vein. The flowers are small and have a simple, five-petaled structure. The word "November" is written in a large, stylized, rounded font across the center of the image. The letters are outlined in black and have a white fill. The overall style is clean and minimalist, suitable for a coloring page or a decorative background.

November
